

BALTIC SAGA VISION OF BEAUTY AT SPRINGHAZE (Viva)

Show Results and Achievements

8th March 2018 - Crufts

2nd PGB

Judge: Dr T Jakkell Critique:

16th September 2017 – Darlington Championship Show

1st JB

Judge: Mr Jeff Horswell Critique: *Strong but still feminine bitch. She has a well proportioned head with flat skull. Eyes could be slightly darker. Lengthy neck, fairly good shoulder. Upright in pasterns. Carrying plenty of body, could be better ribbed back. Holds a level topline. Enough hind angulation and really used her rear so well, just a bit proud of her tail which spoils her outline.*

15th July 2017 – NWPB Championship Show

1st PB + BP

Judge: Mrs June Miles Critique: *10 mth and very collected for age. Good for type and obviously has a way to go yet. Nice head and eye colour . Slight pink on lips , but this is only a minor distraction. Carrying tail a bit happy today .*

13th July 2017 – Viva passes her Bronze GCA.

2nd July 2017 – Windsor Championship Show

1st JB + BB + BOS

Judge: Mrs Sue Parkin-Russell Critique: *1st Brailey's Baltic Saga Vision of Beauty at Springhaze. 10th month old very pretty bitch. Markings on head, body, tail and feet all correct. Level top line kept at all times. Moderate length of neck into correctly place shoulders. Second thigh just starting to develop. Good length of neck into well place shoulders. All OK on the move just a little close behind but that will change with maturity. Best Puppy Bitch, Best Bitch*

28th May 2017 – Bath Championship Show

1st PB

Judge: Mrs S Hewart-Chambers Critique: *Gorgeous baby so promising, lovely head with gentle expression, dark eyes, pigment could be better. Straight front and spring of pastern. Tight arched feet, level topline rising over loin. Well set and carried tail, good angles front and rear. Moved out bouncily and happily*

15th April 2017 – WPBA of Wales Championship Show

2nd PD/B

Judge: Mr K Young Critique: *Pleasing for breed type with good bone and substance. Well balanced in head and pleasing expression with good neck and shoulders. Just needs time to firm up in topline and I would like more strength in hindquarters.*

1st April 2017 – GSMD Breed Club Show

1st PB

Judge: Mrs Helen Davenport-Willis Critique: *7 months shapely female, head still developing, very good markings, nails a little long, bone matches size, very good neck and front. Shapely hindquarters, croup could be longer and better angled. Moved well when not pacing.*
