Judge: Mrs June Miles Critique: *Just a year old and shows so much promise. Every thing in the right place and he impressed be greatly. From his head with its moderate stop to his well fitting lips. Nice alert expression. Well developed chest and good legs. His feet are a trifle flat but hopefully will tighten. Tail follows line of croup and reaches tohock. Steady and sure on the move. I was impressed enough to award him reserve best dog and i wish him well in his future showing.*
