1<sup>st</sup> April 2017 – GSMD Breed Club Show

**1<sup>st</sup> OB + BB + BOB**

Judge: Mrs Helen Davenport-Willis Critique: *3 years top size, strong and substantial female, head matches her size. Balanced proportions, very good front angles, neck and brisket development. Pleasing topline and rounded croup, shapely quarters. Presented in first class coat and condition she moved out well and was sound. Had a tendency to stand with her tail tucked under her but she certainly did not have a temperament problem. Handled well to get the best from her. Her undercarriage could have been firmer but her overall qualities outweighed her deficiencies and secures her this position and eventual BIS.*
